VIEW FROM THE CHAIR

Welcome to March! Already this year seems to be flying by, though it is said that it's a sign of old age! I'm going to assume that Spring has arrived, and our gardens are awash with colour, if however, we have had one of those 'late winter freezes' I hope you are keeping warm! The trouble is I write this piece a few weeks before its published so I'm covering all my bases! March is a busy time for the Federation as we have the AGM in Tunbridge Wells and events are beginning again- Singing Day, Introduction to Quilling, Lifestyle Annual Day and Stained Glass Mirrors and there's lots more to come! Don't forget to put these in your diary! I also hope you have all had a look at the WI Learning Hub, which started in January. Already I'm hearing very positive reports on the courses available and many of them are free!! Let your fellow members know if you have been on a particularly interesting session. One of my Petts Wood WI friends was very pleased with her yoga session and was keen to tell her group all about it! Don't forget though that you log on using the email registered on the MCS, if you have changed it, please let your MCS rep know. Once you have signed in, the system will recognise you as a WI member. So, let's make this the year you try something new, either with a session on the WI Learning Hub or a West Kent Federation event! I hope to see many of you in Tunbridge Wells on March 25 and please don't forget to come and say 'hello' to myself and the other West Kent Trustees!

Take care,

Amanda

Treasurer's Corner

There have been several enquires regarding the Pooling of Fares charge which has been included in our January statements to Treasurers. Many of you would have been aware of this annual charge but new Treasurers may not be aware.

It is in fact in the WI constitution but below is from the WI website and can be found at [Microsoft Word - 2019 Annual Meeting Pooling of Fares guidance \(final\) \(thewi.org.uk\)](http://www.thewi.org.uk) :

ADMINISTRATION OF THE FUND • The Annual Meeting Pooling of Fares fund is a non-profit making fund that covers the costs of travel to the Annual Meeting • Each federation pays an equal and set amount of money into the Pooling of Fares fund each year • Each WI pays an equal and set amount of money into the Pooling of Fares fund each year • The amount paid into the fund by federations and WIs is set each year by the NFWI Board of Trustees and is based on the balance in the fund and the cost of travel to the previous Annual Meeting .

This is just an extract and full details can be found in myWI.

.....

I will be carrying out Year End Treasurer Training, along with Carole Powell on Wednesday 3 April at 18:30. This will be on zoom in order to include as many members as possible. If you would like to be included, please email me at treasurer@wkwfi.org.uk and state whether you keep manual or spreadsheet accounts.

We will cover: using brought forward figures from last year, reconciling, what information you need for your accounts to be examined etc. It will also be a chance to ask questions.

This will hopefully help in getting ready for presenting the accounts at your AGM in May.

Kind regards

Rita King

The singing afternoon has had to be cancelled due to circumstances not under our control. We hope to run the event later in the year.

South Park WI, spent a lovely Valentines afternoon, learning Quilling, by making these wonderful hearts. For most of us this was our first attempt and thanks to Marcia's wonderful instruction we were all pleased to take a heart home with us.

Amanda Bird

ISTEAD RISE WI, was pleased to once again invite neighbouring WIs to join in with Shrove Tuesday Pancake Tossing and Racing, followed by delicious refreshments of cakes and pancakes. Members from Chalk, Cobham & Luddesdown, and Harvel WIs plus other family members joined in the fun. June Woodham from C & L WI won the tossing competition with 97 flips of a pancake in one minute. Young Sam Scott was the Junior race winner and also of the final, visitor Lesley Ferguson was the adult winner of the *Sam, June & Lesley* pancake race (well walk really). Linda Wills

Our February meeting at **Tenterden Glebe**, was the best ever, with guest speaker Bishop Rose, giving a fantastic talk on her life as a child. The talk was very emotional, bringing many to tears, with numerous questions and answers. The hall was packed with members and guests from other WIs St. Michaels, Stubbs Cross, Wittersham, and Kennington. It was a wonderful meeting enjoyed by all, never to be forgotten.

Farningham WI has had a busy start to the year.

In January, fortified with fish and chips, we enjoyed a New Year Quiz. Later in the month, following a plea from our local hospital, a group of talented ladies produced a batch of exquisite mini-quilts to be used to create 'nests' to snuggle babies when they are nursed in incubators. It was a win/win situation as not only did we enjoy the task but the end products were gratefully received.

In February, we welcomed Andy Dinsdale, director of Strandliners, an organisation committed to reducing plastic pollution. An engaging and enthusiastic speaker, he left us with much to ponder.

In **February Barming WI** held a special meeting to celebrate the 100th anniversary of its first meeting to be held in the Barming Village Hall. The WI, formed four years before in 1920, gave £100 towards the cost of the hall, and has held most of its meetings there ever since. Members dressed in period style and were pleased to welcome Federation Advisor, Carol Gupwell as the special guest. There was also a display of Barming WI archives and banners. The

1920s-style activities were all based on those mentioned in the original minute books. They included a talk on 'women's citizenship' from the vantage point of 1924, demonstration of bramble jelly making, a recitation, and to round the evening off, some country dancing.

Anne Logan

Barming President Cheryl Wermuth with Carol Gupwell

Show the Love Hearts adorning **Wateringbury WI's** oak tree that was planted in 2020 to celebrate their 100 anniversary.

The ladies of **Boughton Monchelsea WI** have started 2024 with two exciting craft afternoons. In January we made some beautiful bird containers, perfect for holding those little bits and pieces. February's meeting found us

doing some marvellous Zentangle pictures - a most relaxing and absorbing

afternoon! Huge thanks to Barbara for her inspiration, patience and excellent tuition. What will we do next?

Anthea Springett

Veronica Rees of **Cobham and Luddesdown WI** came up with a really good suggestion:

"Our WI has four photo albums with photos and no names with them. I'm one of the longest standing members and I thought I must add names to these photos otherwise, past members will be lost for ever. Perhaps 'present day' members would like to take a look at their WI photo albums and label the photos - when, where and who the people are!"

WOMEN WALK THE WORLD 2024

29 APRIL = SOMEWHERE NEAR YOU!

Well Ladies, time to get your trainers on and enjoy a walk, through a local wood, around a park, perhaps along a river doing your own Spring Watch.

Maybe a ghost walk in a local town, check out a local library for leaflets on a walk.

Whether you pay to go on the walk, or ask family to sponsor you, you are raising funds for women elsewhere in the world, whose lifestyle is completely different to yours.

Every year, on or around ACWW Day, the 29 April, ACWW members all over the world join together to raise funds for ACWW and share information about our work with their communities. This event is called Women Walk the World and has been going since 2012.

Monies raised can be a separate donation to ACWW on your WI accounts.

St. Michaels WI (Tenterden) meeting wasn't until 19 February, however, on our members evening we hung green hearts with messages all in green.

Last year we lobbied our M.P. with an envelope full of hearts. This year we are displaying in our village hall alongside dates for the Tenterden Repair Cafe, hoping to engage the many youngsters and other clubs who use the hall !!

Hollingbourne WI's 14th annual Pancake Race Afternoon was held on the rather chilly and windy village playing field on 20 February. I know a week late, but the school was on half term holiday the previous week and the afternoon is really centered around the children. However, not only the school children, but pre-school children, teachers, parents, and WI members also race, tossing their pancakes once before the finishing line. The main difference between the groups being the first four are run, but these days, the WI ladies walk!! However, the WI are by far the best tossers of pancakes!! After the races, the winners are given their rosettes and before walking back to school, a drink and hot cross bun. The adults being catered for with tea, coffee and a hot cross bun.

Resolution Update:

As soon as we receive, from NFWI, the results of the first round of Resolution voting, we will set up a meeting (probably on ZOOM) on the topic or topics going forward to the final vote. Please watch out for an email giving you details.

Green Team

greenteam@wkfwi.org.uk

Greening your WI.

Have you thought about how green your WI is and what you could do to make it greener? Here are some ideas:

Remember the Re-use, Reduce, Recycle mantra. Try especially hard to reduce plastic use such as single use plastics and especially cling film. There are reusable covers for containers readily available. At your meetings do you use the hall's cups and saucers or perhaps everyone brings their own reusable mug and takes it home afterwards? Keep an eye on unnecessary printing of documents that could be read online by the majority of members. Carsharing both to meetings and events. Could you get raffle prizes and secret Santa gifts from charity shops? Regular second hand books and jigsaw puzzle stalls are a great way to recycle items whilst raising a little extra for your WI as are preloved scarf and handbag sales.

Our WI's craft group has used old paperback books to make Christmas trees, angels and hedgehogs. Our walking group uses public transport wherever possible and often includes a free museum in the walk. Were you aware the local library can provide multiple copies of a chosen book for your book club avoiding the need to purchase books? Can you recycle difficult to recycle items? Learning from another Green team member we are having a bra collection for "Against Breast Cancer" charity. We also collect medicine blister packs for recycling at local health stores (Superdrug take ours) and spectacles go to local opticians or local charities. Can you get involved with the Big Plastic Count in March either as individuals or as a WI? Does your WI have a Green Team or Climate Ambassador?

Don't forget to share your ideas with other WIs and remember even small changes in greening your individual WI can have a positive overall effect.

Changes to Green Team WI talks- please note that all WI bookings taken from 1 March will be charged a £25 flat rate. This is to cover time and expenses of the speakers.

On Wednesday 7 February **Lyghe WI** celebrated our 105th birthday. For

entertainment, we had a fun afternoon, with a fashion show, with 8 members buying a second-hand outfit with a maximum budget of £10. What amazing clothes were found. We invited 3 members from our twin WI in Borden (near Sittingbourne). We also enjoyed a quiz, sandwiches and cake.

Chris Woodgate

Crockenhill WI committee member, and master knitter Shirley Abbott has triumphed yet again in producing another master piece! This time welcoming the Chinese New Year and the year of The Dragon! OBITUARIES

Sadly **Coney Hall Village WI** announced the death of **CATHIE FENTON**, after a long illness. Cathie was an inaugural member since 2020 and bore her illness bravely.

Being a creative knitter, she ran our "knit and natter" club and enjoyed attending our monthly meetings and craft sessions, always accompanied by her husband/carer, Barry. Very much missed.

Loose Valley WI announce the passing of **BRENDA GRACE**, aged 97 on 18 December. Brenda was a much loved member of Loose Valley WI for 34 years, our longest serving member and Captain of our 2nd Darts team for many years who until just weeks before her passing took and played whist, darts team and rummicub. Also an active committee member, standing in for the President on occasions and helping at meetings.

St. George's WI Beckenham is sad to announce the death of **SUE RINGWOOD**. Sue was a valued member for 11 years and will be remembered by many for cheerfully helping with the refreshments at our meetings. We send our sympathy to her family.

Horsmonden Morning WI is sad to announce the death of **VALERIE SMITH**. Valerie had been a long-term member of Collier Street WI and then a founder member of Horsmonden Morning WI. In recognition of her dedication to the WI, her family requested that one of our ladies would do a reading at her funeral and we sang "Jerusalem."

The ladies of **Lenham WI** are very sad to announce the passing of **LORNA FLISHER** who was one of our long standing members. Lorna was an active member over many years running raffles, the trade table, playing darts and whist amongst other activities. She will be remembered for her kindness, her dedication and her sense of humour and we send our condolences to her family and her many friends.

It is with great sadness to announce the death of **MALVA RIDGE**, she was a much loved, long-standing member of our Institute. Malva joined **Sennocke WI** in March 1979, where she served on the Committee for many years holding the office of Secretary and Treasurer. Her enthusiasm and organisational skills were immense. She loved to socialise and often invited members to her home where they shared in her hospitality. Malva's warm and friendly personality shone through the years. Latterly, she was unable to attend meetings, she will be sadly missed. Rest in peace dear friend.

Gates Green WI is sad to announce the passing of **JUDY GOGGIN** after a short illness. Judy had been a member of our WI since 2009. She was a kind, gentle lady who really enjoyed our trips and outings as well as the monthly Scrabble & Whist clubs. Our thoughts are with her family and we will miss her greatly.
