VIEW FROM THE CHAIR

After what seemed a slow start to spring, I'm hoping that as you read this, we really are into one of my favourite seasons. During lockdown I started a little vegetable plot and I'm now the proud owner of a potting shed and love nothing more than spending time looking after my seedlings and watching them grow. Both my parents were big gardeners and fresh vegetables were something we just took for granted (though the digging up and cleaning were not!). However, the sheer sense of achievement you get from just popping into the garden and picking your own lettuce is something else!! I know many of you will be rolling your eyes at my enthusiasm but remember I am very new to it all!

As April marks a new year at our Federation a bit like my seedlings I think I am now growing into my role as your Chair. The Federation year never stops and as you can imagine you hit the ground running and at times, I have felt like I was playing catch up! But in my second year and going forward the aim of the Federation is to increase our membership which has fallen considerably over the last few years. Obviously Covid had a big effect on many WIs with members not returning after the lockdown. We are also suspending WIs due to a lack of officers, and this is something we really need to address as a Federation. To suspend a WI with over 30 members just because they can't find a volunteer to be either the President, Secretary or Treasurer seems wrong and I shall be asking the WI Advisers what more we can do to make these roles easier for members to take on, be it more training, buddying up with another WI or even a Whats App support for the particular role. We do have a few of these things already in place but seems its just not enough.

Recruitment can also be a problem for many WIs and as a Federation we have ordered leaflets etc. from National which we can send you and we are also happy to advise any WIs who wish to try Facebook or other social media outlets.

I know that I have many very successful WIs out there and would love to learn about the ways you increased your membership and filled some of those key roles on the committee. Please email me on chair@wkwfed.org.uk and together we can support each other!

Take care,

Amanda Breach

Treasurer's Corner

In time for the new financial year, NFWI has issued an updated spreadsheet to use at the start of the 2023-2024 year. The new spreadsheet can be downloaded from MyWI. Log onto the WI website and onto MyWI. On the heading "Running your WI" choose "WI finances" where you will find the computer version of the Account Book and Financial Statement spreadsheet (Mar 23 Excel Version) ready to download and use.

There are some cosmetic changes, e.g. colour coding the "Acting as Agent" column headers but more importantly, there is a sheet containing notes on what to do before the end of the financial year and the start of the new year, plus many helpful notes on what should and should not be entered. There are too many items to be put into this column, so I would sincerely suggest you read it prior to completing the year end and starting the new year.

If you are using the paper version of the Financial Statement, this has not changed but the guidance notes have been updated.

One of the areas of confusion is when transfers from one bank account to another take place. There have been several instances when a transfer from a deposit account into the current account has been included in income. Whilst it needs to be entered in the receipts book in order to reconcile the bank statements, it is not included in the Financial Statement as income for the year.

If you are in any doubt, please do not hesitate to ask your IFE for help or if you do not have a WI IFE then you can contact me at treasurer@wkwfi.org.uk.

It is advisable for Treasurers using the spreadsheet, to back up their spreadsheet on a regular basis and if possible give the President a copy. This will ensure that if a computer fails, or if the Treasurer is absent for any reason, then someone can take over readily and easily.

Please do not stress about anything, we are here to help.

Kind regards

Rita King

WOMEN WALK THE WORLD 2023

29 APRIL = SOMEWHERE NEAR YOU!

Well Ladies, time to get your trainers on and enjoy a walk, through a local wood, around a park, perhaps along a river doing your own Spring Watch. Maybe a ghost walk in a local town, check out a local library for leaflets on a walk.

Whether you pay to go on the walk, or ask family to sponsor you, you are raising funds for women elsewhere in the world, whose lifestyle is completely different to yours.

Every year, on or around ACWW Day, the 29 April, ACWW members all over the world join together to raise funds for ACWW and share information about our work with their communities. This event is called Women Walk the World and has been going since 2012.

Contact ACWW at sydney@acww.org.uk to set up a fundraising page or make it a separate donation to ACWW on your WI accounts.

Looking forward to receiving articles and photos of your **CORONATION CELEBRATIONS**

Get Gardening with Greener Fingers!

It's that time of year again when the grass really starts to grow again and needs regular cutting. During the summer months, an estimated 15 million domestic lawns are mowed every couple of weeks. The emissions from petrol mowers each fortnight in domestic gardens alone are thought to be equivalent to the emissions from a 500 million mile car journey, the equivalent of the distance from the Sun to Jupiter. Petrol machinery also produces a variety of airborne pollutants that are harmful to the environment and the human body. If you are in need of a new lawnmower then do consider an electric or battery powered one as a greener option.

#NoMowMay®

I'm taking part
in #NoMowMay
for nature

Better still, give up mowing your lawn and join in "No Mow May" to give nature a boost. <https://nomowmay.plantlife.org.uk/> Letting the grasses and wildflowers bloom not only looks beautiful, it provides food for our pollinators such as bees, butterflies and moths and attracts all sorts of other wildlife. Reducing your mowing will save you money as you won't be using either electricity or petrol and it is labour saving too, giving you more time to spend on other more enjoyable aspects of gardening.

It's also the time of year when you might be sowing seeds or potting up your containers. Please remember to use peat free compost and when buying it, buy the largest bag you can handle to help reduce plastic usage. And lastly, we had record-breaking heat and a prolonged drought last summer. These climate changes present us with the challenge of gardening with less water so choosing plants to suit our growing conditions becomes paramount. The RHS has a great list for every situation - <https://www.rhs.org.uk/plants/for-places/drought-resistant>

WI RESOLUTION 2023 - CLEAN RIVERS FOR PEOPLE AND WILDLIFE.

The results of the first round of voting for the 2023 resolution are out – **“Clean rivers for people and wildlife”** is the chosen resolution for this year. WIs need to consider the resolution and give their **vote to their delegate before the NFWI AGM on 25 May**. This means that some WIs will need to feature this at their meeting in the latter part of April. The West Kent Federation has set up a **FREE ZOOM RESOLUTION MEEETING WEDNESDAY 12 APRIL 7PM** .

A talk will be given by Katy Lewis, Monitoring Manager West – Environment Agency. Katy is an environmental scientist who manages monitoring at the Environment Agency. She leads the teams who carry out water quality sampling in the rivers and coastal waters of England. The Environment Agency is the non-departmental Government body who monitors water quality at inland and coastal waters with large numbers of bathers designated under the Bathing Waters Directive. They report the results so that the public as well as the Local Authorities can be informed about the quality of the water for bathing. Katy will talk about the state of English rivers, current monitoring and how a WI resolution could be effective for improving bathing waters.

If you would like to join the Zoom, please secure your place on Try Booking on the attached link before 4pm on Tuesday 4 April.

Trybooking link: <https://www.trybooking.co.uk/CFYD>

NFWI have now announced that they have set up a **Webinar** on the subject on that same evening. To allow members to experience both sessions, our West Kent Zoom will be recorded. Information on how to access the recording of the West Kent Zoom and the live NFWI Webinar will be posted on the WI Mailboxes and on Facebook.

Contact details of who to send your votes to, ie. your delegate, are being sent to you on the NFWI AGM Second Notice.

REPORT OF A RECENT EVENT

Creative Machine Embroidery for Beginners

Four of us from **DOWNE WI** - Diane, Sheila, Jean and Mae with another 9 ladies attended the machine embroidery workshop on Friday 3 March with our wonderful tutor Wendy Dolan. We arrived, coffee was served and then it was down to business. Wendy introduced us to the project with a talk and demonstration, we then set to trying to complete the various stitches, with a lot of help and advice from Wendy. Throughout the morning more demos and a lot more practice. After lunch Wendy demonstrated what we were expected to achieve, gave us her pre-printed picture, we then set to adding chiffon strips and embellishing with stitching building up our pictures. We were quite surprised at how much we had progressed during the day from our efforts early on to producing a pretty picture. We had a very informative, interesting and fun day, our thanks to Wendy and Jenny for organising. Unfortunately I forgot to take any photos on the day, so my apologies to the other ladies. I have since taken photos of our efforts. Sheila Chivers, Secretary *Please see below for opportunity to attend an additional class*

KEEPING FIT: A TRIAL OR A TREAT?

Once, the dictate was, which came our way: a thousand steps be walked each day..
Mind, after shopping and trekking round stores, cleaning and mopping and polishing floors..
Upstairs and downstairs with Hoover hauled; while wielding our dusters on handrails and halls,
Some of us thought we'd done our bit, regarding those steps, and keeping fit.

Green Goddess devotees we followed her moves, we stretched and gyrated, physiques to improve.

Back in the day it wasn't a trial we could jog round the park and toss in a mile..

Our determination would never buckle, we carelessly ran with a laugh and a chuckle.

But, today it's become Up and Down that we go: p.s. That's merely our eyelids, I'll have you know!

Exercise, exercise, trial or a treat? We ponder its meaning as we mindfully eat.

A life-time brings wisdom, we're more youthful I feel. The age I am now I can finally reveal, my energy's flown, maybe so has my zeal..

But my arms get their workout, up and down now they go, which flexes my muscles, sets my face all aglow..

Cos there's nothing more pleasing than a small glass of sherry. That's my exercise now plus it keeps me quite merry!

It's a salutary tale! We may not be sylphlike, our hair might be white,
But even so life can bring lots of delight.

We'll walk when we can, even if we can't run. Turn our faces like flowers to the warmth of the sun We'll pursue our good causes with energy mustered! For we're WI ladies: we're no cowardly custards!

On 26 February the Mah-jong group of **Bredhurst WI** celebrated the Chinese New Year. They played several games of Mah-jong then enjoyed a Chinese Take-away. HOLLINGBOURNE WI

This year, we organised 23 Races to mark Shrove Tuesday. The playgroup, school pupils, teachers, parents, PCSOs and our Vicar ran in this annual event.

The mums and dad's races were strongly contested. Our Borough and County councillors volunteered to help as did husbands, villagers, and the Parish Clerk, whose pig—Jenson ate up the dropped pancakes.

The senior pupils adjudicated the tossing of the pancakes and escorted the winners to collect their commemorative rosettes. They were very helpful and polite.

Tesco's helped with the supply of Hot Cros Buns for refreshments which our WI served with tea and coffee in the Pavilion.

President Mary Henderson won the WI Race

This was the 12th running of our Pancake Race – a fabulous village event.

Extra WI was saddened by the death of longstanding member Muriel Divall. She had been a

It is with great sadness that **Hartley Afternoon WI** announces the passing of **MRS MARLO BRETT** on 8 March. Marlo was the sitting Treasurer at the time of her passing, although she planned to step down at the Annual Meeting in May.
