

WEST KENT WI NEWS

June 2024

THE GREAT BIG GREEN WEEK

Let's **swap together** for **good**

The Great Big Green Week is the UK's biggest ever celebration of community action to tackle climate change and protect nature.

8th - 16th June 2024

VIEW FROM THE CHAIR

June 3- 9 marks Volunteers Week and that got me thinking that being a WI member offers a wealth of benefits, but volunteering your time takes that experience to a whole new level. Here's how giving back strengthens both your community and you:

1. Deepen Your Connection with the WI:

Volunteering allows you to engage with the WI on a deeper level. You'll work alongside other members towards shared goals, fostering a strong sense of community and belonging. This can be especially rewarding for those who might feel isolated or less connected.

2. Develop New Skills and Knowledge: WI volunteering opportunities often involve areas like event planning, fundraising, or supporting specific initiatives. These experiences allow you to hone valuable skills that can benefit both your professional and personal life.

3. Give Back to Your Community: The WI plays a vital role in supporting communities across the country. By volunteering, WI members become active participants in making a positive difference.

4. Enhance Your Well-being: Studies have shown that volunteering leads to numerous health benefits. The act of giving back reduces stress, combats feelings of isolation, and boosts self-esteem. Helping others creates a sense of purpose and accomplishment, leading to a more positive outlook on life.

5. Build Lasting Friendships: Working alongside others who share your values and interests is a great way to build strong friendships. Volunteering fosters a sense of camaraderie and shared experiences, creating lasting bonds with like-minded individuals.

Becoming a WI volunteer is an investment in yourself and your community. It's a chance to learn, grow, and make a real difference. So why not take the plunge and discover the many rewards of volunteering with the WI and see where it takes you- I did just that and look what happened!!

Take care

Amanda

Treasurer's Corner

Last month we published the dates for our training sessions. The Treasurers training will be on Zoom in the evening of the 17 July and in person at Ethel Hunt Lodge on Thursday 18 July from 10:00am until approximately 3:00pm. If you wish to be included, please email me at treasurer@wkwfi.org.uk stating which session you would prefer.

I have had a couple of suggestions from WI Treasurers which may be of interest to you. The ex-Treasurer of North Heath WI, who have now suspended, was extremely diligent in closing her bank account and following all the required procedures. She did have trouble closing her registered charity account on the Charity Commission website but persevered and had a very helpful person in the end who helped her through the process. She has now documented the procedure and sent me a copy, so if any WI is de-registering because their income is below the threshold of £5,000 then I will send you a copy on her behalf. Well done!

Another Treasurer realised that her Charity Commission return was late and asked if it will be possible to post a reminder. Another good idea. If your accounts are finalised and you are registered, now would be a good time to submit them whilst fresh in your mind.

If new to the role of Treasurer, however proficient in bookkeeping/accounts, I highly recommend using the WI spreadsheet, which is available in myWI – running your WI – Finances. As ever it is usually the Acting as Agent and using the correct brought forward figures that proves a stumbling block to a smooth year end.

Kind regards Rita King

FEDERATION NOTICE BOARD

Yearbook

West Kent Federation is pleased to announce **3 new WIs**.

Aylesford Poppies who meet on the 2nd Wednesday of the month at 7.30pm at Capel Morris Hall, RBLI, Aylesford ME20 7NL

Email: AylesfordPoppies@wkwfi.org.uk

Hurst who meet on the 3rd Monday of the month at 10.30am at Hurst Community Centre, Hurst Road, Bexley DA5 3LH

Email: Hurst@wkwfi.org.uk

Wrotham Roses who meet on the 2nd Tuesday of the month at 1.00pm at Wrotham Village Hall, 1 High Street, Wrotham, Sevenoaks TN15 7AA

Email: WrothamRoses@wkwfi.org.uk

Please note that **Sole Street** has a new temporary venue and will be meeting at The Railway Inn, Sole Street, Meopham DA13 0XY until the end of the year. They will continue to meet on the 4th Tuesday of the month, but the meeting time has changed to **2.00pm**.

Please note that the following WIs have suspended

WI ADVISERS

Bev Wild 0208 8289 3533

I hope that you all had successful Annual Meetings and I would like to take this opportunity to thank all the WIs who invited their WI Advisers along to assist with their election voting on the Committee and President. It is always a pleasure to visit your WIs, engage with your members and hear what activities and events you have enjoyed during the year.

May I also take this opportunity to remind you to send your Annual Returns in to the Fed Secretary by the end of June. Also if you are a new Officer there are still places on our training days.

The Advisers will be holding training sessions for **Presidents** at EHL on Monday 17 June and Zoom on Monday 24 June. **Secretaries** on Zoom Thursday 13 June and EHL Thursday 27 June. **Treasurers** Zoom on Wednesday 17 July and EHL on Thursday 18 July. The sessions at EHL usually run from 10am-3pm and the Zoom sessions will be in the evening. Please contact the Fed Office if you are interested in attending any of the sessions.

Bev Wild WI Adviser Chair

Green Team

greenteam@wkwfi.org.uk

WEST KENT GREEN TEAM

Come and walk with members of the Green Team in the great outdoors to mark **BIG GREEN WEEK** on Wednesday 12 June. We invite you to join us for a walk from Tonbridge to Haysden Country Park.

This year's theme for Big Green Week is Let's Swap Together for Good so we have chosen Tonbridge Rail Station as our starting point to allow you to swap out your car and travel by public transport. The walk is fairly flat with no stiles and approximately 3.5 miles along the River Medway and around Barden Lake. If walking is not for you, just come along for a picnic and a chat at Haysden Park. There are picnic spots close to the main car park.

The details: Meeting point – Tonbridge Rail Station at 11 am. Well served by trains coming down from London, up from Tunbridge Wells and across from Maidstone, Strood and Paddock Wood. Also many bus options too.

Not everyone has good public transport links so if you drive then you will find free on road parking after 10.30 am in Douglas Road, Tonbridge, a few minutes walk from the station. See map.

· Picnic – bring your own food and drink but no single use plastic. Alternatively there is a café in the park where you can purchase something.

· If you are only coming for the picnic, arrive between noon and 12.30pm and meet the group at Café in the Park. There is a large car park at the main entrance to the park off Lower Haysden Lane, Tonbridge, TN11 9BE. (Parking fee £2).

This is a free event – but please register your attendance by emailing us at GreenTeam@wkwfi.org.uk

Over 80 billion new outfits are purchased every year. In an average person's wardrobe there are about 148 individual items, many are only worn a couple of times, and some not worn at all. Where do they all end up... charity shops? Really? Yes, some do, and some even get sold but the vast majority are shipped out to sites like this one in Chile's Atacama Desert where they form what can only be called Landfill Mountains. Some even have tags still attached. They won't rot down because most include manmade fibres like polystyrene. Around 1.75m tonnes of clothing and textile waste is created just in the UK each year. 60 tons are exported every week – that's a tidal wave of 30 million items of cheap clothing EVERY WEEK. When we talk about the environment, we talk about fossil fuels, plastics, industrial chemicals, yet the clothing industry is responsible for over **10% of carbon emissions**. You may be shocked to learn **it ranks second in the world's most polluting industries**, with only the oil industry above it. It is one of the hidden causes of climate change using over a quarter of the world's chemicals, 1.5 trillion litres of water annually as well as using cheap, almost slave labour in many of the countries selling clothing to the West. In fact the fashion and textile industry is the **third most polluting sector globally** after food production and construction. So have a look

in your wardrobe ...When was the last time you wore that item? Are there items you have never worn? Think before you

A woman sifts through used and unused clothing in Chile's Atacama Desert. replace that pair of jeans as it takes over 3 tons of water to produce just one pair – water parts of the world are desperately needing. Why not make 2024 the year you wear the items you already have, rather than buying yet more to squeeze into an already packed cupboard.

S

GILL BROWN and JEANNETTE SMITH pals@wkwfi.org.uk

WALKING NETBALL TASTER SESSION

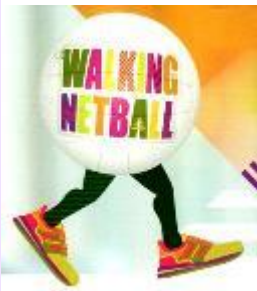

SATURDAY 10 AUGUST

TONBRIDGE SCHOOL INDOOR SPORTS CENTRE

LONDON ROAD, TONBRIDGE TN10 31D

SESSION 10AM—11.30AM TICKETS £8.00

MEMBERS ONLY.

You've heard about walking netball, but have you tried it? Walking netball is suitable for all ages and abilities, it's an opportunity to exercise in a relaxed, fun and supportive way. You do not need to have had any netball experience or know any of the rules to participate in this fast growing sport. Includes free car parking and refreshments afterwards. Please book your space via your WI Rep using the application box on the back page.

We look forward to meeting you and possibly your friend!

WOMEN WALK THE WORLD 2024

On 29 April a walk was held in Mote Park in aid of ACWW. This was attended jointly by approximately 30 members of **SOUTH PARK WI** and **BOUGHTON WI** together with some husbands. It was a lovely sunny day with a 2.5k or alternative longer walk of 4k following a trail pointing out historical facts and information on the Park starting and finishing at the new cafe with a well earned drink at the end. A total sum of £110 was raised. Amanda Bird

Boughton WI

All walkers

South Park WI

What a difference a day makes! **ISTEAD RISE WI** had a Gravesend Riverside walk on a wet and chilly Sunday. Eleven members and families went onto the pier, the oldest iron pier in the world, the tide was really low—there were no shopping trollies in the mud! Past the old custom houses and the Port Authorities to visit the New Tavern Fort, originating in the 1780s and the 14th century barracks and the Heritage Centre. We had booked our tour through Visit Gravesend. Our guides were all very informative and gave us a very good idea of what life in the underground Fort would have been like, especially for the lower ranks, £40 was also raised for ACWW

WATERCOLOUR PAINTING WORKSHOPS

For beginners and improvers

TUTOR: MATTHEW PALMER

September: Tues 17 Memorial Hall, Frittenden, TN17 2DD

Wed 18 Ethel Hunt Lodge, Pembury, TN2 4AG

Thurs 19 Snodland Bowls Club, ME6 5DP

Fri 20 St Peter's Church, Hextable, BR8 7RH

Sat 21 St Nicholas Church Hall, Orpington, BR6 9QB

10am to 3:30 pm, Doors open at 9:30 - Cost of ticket £ 33.

Kit charge £ 5. in cash to tutor on the day. Members Only.

Bring a packed lunch and a mug for coffee.

Country Garden—Still Life

Beach Hut & Deck Chair

Harvest Mouse

Popular professional artist Matthew Palmer will be returning to teach us more watercolour workshops suitable for beginners to the more experienced improver.

No need to buy any supplies in advance, Matthew will supply a sketch for you and all the paint you need to complete your painting. He will lend boards, palettes and brushes. Please bring a pencil, eraser, water container and kitchen roll. If you have your own painting kit please feel free to bring it. We will need 3 round brushes - a large size 16/18/20, a medium size 10 or 12 and a small

size 4 or 6, and a rigger brush might also be useful. Primary colours will be used: red, yellow and blue and all other colours can be mixed from those but bring others if you have them. He will bring his art shop so that you can top up your supplies if you wish.

Ticket application form on back page.

Closing date Friday 9 August.

Blue Tits on Feeder

Cottage with Cherry Blossom

Some information From the Kent Voluntary Service that Di Daniels thought might be of interest:

You may have heard adverts recently explaining the landline telephone system is being modernised. If you have a lift alarm/panic button/telecare/pendant or emergency fob that connects via your landline you should register with your telephone provider before this happens. They all have a register they call “Priority Services” or “Vulnerable Persons Register” You should do this as soon as possible. Your telephone provider is the company you pay your phone bill to, which may be BT, Sky, Utility Warehouse, the Post Office or others. Registering is often done online. This is for your landline/housephone and not your mobile phone.

The detail is that by the **end of next year** all telephone users will be switched to a digital system. The digital system will rely on power being available at the house, the current system uses power from the telephone exchange. Unless you have a battery arrangement in the house you will not be able to make phone calls in a power cut, and your telecare pendant, alarm etc. will not connect to the emergency centre either.

Your telecare (alarm) provider knows already and will almost certainly need to change some of your equipment. Some providers are a lot more proactive than others. There is a measure in place to check you don't get switched without having the correct equipment in place first. **This measure is only put in place for those on the register.** Others may just get sent new equipment to self-install, and this is unlikely to work with your existing alarm system.

It is possible that those on the register may be provided with battery back-up.

All the utility companies have a similar register and it is worth getting your name on all of them. It won't get you a generator in a power cut or a bowser when the water goes off, but it may eventually get you a knock on the door with a bottle of water with someone checking your welfare.

HALSTEAD WI had a very successful afternoon hosting an Art and Craft Fair on 27 April with local stall holders selling their wares. We served afternoon teas and held a raffle with prizes donated by various local enterprises.

The average age of our members 'manning' the raffle table is 87 years which included our oldest and longest serving member aged 94 years young.

BEARSTED GREEN WI at the Annual Meeting on 1 May Joint Presidents Judy and Rachel presented flowers and a gift to **BARBARA COLEBROOK** In celebration of Barbara's commitment to our WI and who after 26 YEARS of being Treasurer has retired from that post **but** is still on Committee.

DETLING WI along with other local WI, friends and family enjoyed their day out at RHS Wisley after winning the Federation ticket at the Annual Meeting in 2023. We were blessed with fine dry weather. All our preparations worked very well including arranging for 2 mobility

scooters. Although many of the spring bulbs were over, there was still plenty to see, rhododendrons, fruit blossom and masses of naturalised English bluebells and camasses.

Art & Craft Annual Day 2024

Thursday 26 September

DITTON COMMUNITY CENTRE, ME20 6AH

10:30am to 3:30pm, doors open 9:30am

SPEAKERS:

Elaine Gill: Artist and Illustrator from Kent loves drawing buildings in Pen and Watercolour, researching the stories behind them and people/families linked to them. Elaine has worked on commissions for the National Trust and many historic towns, buildings and gardens all over the world, including beautiful maps of stately homes and gardens. She also accepts private commissions telling stories for people's families, and designs gorgeous cards for places and occasions.

Becky Cole:

Becky trained at the London College of Fashion as a Period Pattern Cutter for film, television, and theatre. She worked with costume teams at the BBC on many high profile projects, and with well-known actors. In 2009, she made the decision to move away from the television industry and transfer her sewing and pattern cutting skills to making bespoke wedding gowns and evening wear. In 2018 Rebecca was invited to join the team at Create & Craft TV, sharing her knowledge and expertise with viewers, demonstrating sewing machines, fabrics, and working with brands. A job which she loves and still does today. Becky has written a book called 'All Access Sewing'. Her mission is to make sewing accessible to all, including disabled and neurodivergent people, helping everyone make their wardrobes work for them whatever their

challenges.

Dave Brooker: Dave's main interests are landscape and travel photography and creating audio visual sequences. He has travelled to many places in the world taking stunning pictures including, right, this national award winning photo taken in Ashdown Forest. He will tell

us some of the stories behind his pictures and how he planned the shoots, plus some tips on how to improve our own photographs, even when taken with our phones.

Elaine will have a sales table of her beautiful artwork cards, Dave will sell his stunning photos printed as cards, and Becky will sell her books. There will also be our usual sales stalls from Rainham Sewing, Mary McFadden Ceramics, Lina Patchwork, Love That Stuff Fairtrade, Rao's Crystal Rarities and our well know Bring & Buy.

Please bring your own mug for coffee and a packed lunch.

Tickets £15. Members only. Application box on back page. Closing date Friday 30 August.

At the April meeting **EYNSFORD WI** had two speakers on environmental matters - Stuart Merrylees from DRiPs (Darent River Preservation Society) and Marc Crouch from Kent Wildlife Trust. The presentation from DRiPs included short films, one being an animated cartoon about dung beetles, while another film concerned the company Thames Water.

Kent Wildlife Trust has a group of farmers and landowners, the Dare Valley Farm Cluster, who have combined to look after a wide area in the Darent Valley to farm sustainably and to encourage indigenous wild flora and fauna. This was an excellent meeting about this important subject and discussion continued afterwards.
Diana Beamish

Stuart Merrylees (chair) had the idea last summer to collect 150 litres worth of drinks bottles, just to see what it looked like. As everyone knows, that's the national average daily consumption of water per person. It's the same volume as two really big bathfuls. Almost a third of it goes down the toilet - into the sewage system. If enough of us change our behaviour a bit (the old adage "if it's yellow, let it mellow") we can not only save water but we can reduce the load on the sewage system.

Sewage is a valuable resource - it's GREEN GOLD

26 members of **CONEY HALL VILLAGE WI** joined the production team for a 'behind the scenes' tour of the Coolings Garden Centre nursery site. The huge greenhouses were packed with colourful flowering plants ready for summer bedding, and we were particularly fascinated with the automatic potting machine.

Coolings has many 'green' initiatives - using recyclable plastic pots, composting and recycling green waste, using peat-free compost,

computer controlled greenhouses to reduce heat loss and energy consumption, recycling water in two huge reservoirs, and using beneficial insects to reduce the need for chemical pesticides - amongst other measures. We were very impressed and had lots to talk about over tea and delicious cake afterwards in 'Arthur's' restaurant.

At May's **SOUTH PARK WI** craft afternoon we had fun making these lovely felt bowls.

Amanda Bird

MATFIELD WI invited friends from our local WIs to an evening of Burlesque with Lindsey Burrell 'Miss Cherry Bombe'. There was a lot of laughter not only trying to learn the routine, but at the entertaining stories Lindsey told. Chris Klempau

Following the excellent Annual Meeting in Tunbridge Wells our Delegate Amanda gave a full report to the members of **BOUGHTON MONCHELSEA WI** at their monthly meeting. Unfortunately Miss Cherry Bombe was unavailable but luckily Miss Raspberry Ripple was there to give the ladies a flavour of the afternoon speaker. Thanks to Amanda. Anthea Springett

On Wednesday 22 May, in Footscray Meadows six hardy souls from **BEXLEY VILLAGE WI** accompanied by four gentlemen from Thames 21 picked 11 bags of litter, an assortment of cans/bottles, motorcycle wheel, car bumpers and plenty of paper. Despite the drizzly rain we were treated to a welcome cup of coffee/tea and shortbread biscuits afterwards.

Seventeen members of **LADYCROFT WI** recently visited Fishmonger's Hall. Our

host was very charming and welcoming. After an introductory talk about the history of the hall and its role today, while we enjoyed complimentary coffee and biscuits, we were given a tour of the rooms. They are very grand and richly decorated. Our many questions were answered in great detail. We very much enjoyed our time there and would thoroughly recommend a visit! Anne Bush

At our recent Annual Meeting **GREENSLADE WI** were thrilled to be able to present long service certificates and plants to two of our members. Both were members of the WI for many years before becoming founder members of Greenslade in 2014. Eileen Crump was celebrating her 45th year as a member and Daphne Holland 40 years. Eileen is a past treasurer of Greenslade and Daphne is still a valued member of the committee. We hope they will both continue to be members for many more years to come!

Annette Parish

CROCKENHILL WI - At our Annual Meeting we elected a new president, Janet Brookfield (see photo below). The support for Janet was unanimous. So, well done Janet. We look forward to an exciting and fun year ahead with you at the helm.

I am also very pleased to welcome two new Committee members, Geraldine and Linda who I know will be a great asset to our committee. We now have all our WI officers in place for another WI year.

Last but not least. On behalf of all our members, I would like to say a big thank you to Sylvia Halls, who has been our captain and steered us for the last 6 years including the stormy Pandemic years and who has maintained a healthy membership in our WI. Sylvia, you now deserve a well earned rest from WI leadership. Enjoy some free time as a member and more time with your family.

Cheri Yeates

REPORT OF RECENT EVENT

A MAGICAL AFTERNOON TEA

Members from all over the West Kent area started to arrive at the hall for a 2pm start where they were warmly greeted and shown into the venue. The hall was arranged with attractive tables set for tea and a Raffle table displaying a range of prizes for the 50-55 members attending.

Gill Brown welcomed everyone and introduced Nigel Roberts, a member of The Magic Circle, who then gave us all a very comprehensive talk on the history of magic, interspersed with some tricks to highlight the different types of magic introduced by historic magicians. Nigel certainly enthralled us with the love of his art and amazed us with his tricks. Gill thanked Nigel for his captivating talk which was enthusiastically applauded by the audience.

By now we were all ready for our afternoon tea, quickly put into action by a group of efficient

Frittenden WI sends warmest congratulations to **JANET and COLIN HIGHWOOD** on the occasion of their Diamond Wedding Anniversary on 20 June, Janet has been a faithful member of our WI for over fifty years and has contributed, over the years, so much to our WI.

volunteers from the PALS committee and Hadlow WI, bringing very welcome tea and milk to the tables. We tucked into a range of sandwiches, individual quiches, scones with jam and cream and a selection of delicious cakes made by the volunteers. As usual, it was a good opportunity for members to 'catch up' whilst enjoying their tea. Before we finished Nigel selected the raffle tickets with many going home happily clutching their prizes!

The afternoon closed with Janet Jones from the PALS committee thanking everyone for attending and the volunteers who had worked so hard to make the afternoon such a success. Janet also, in answer to a question, explained that PALS stood for Performing Arts, Leisure and Sport.

We all left very satisfied with our tea and entertainment whilst the volunteers worked hard, clearing the hall and washing up in the kitchen, following a very entertaining and happy afternoon.

Judith Dafforn, Hadlow WI

OBITUARIES

It is with sadness that **High Halstow WI** announces the death of one of our members **GILL HUNTLEY** who passed away very

suddenly. Gill was a lovely lady, very quiet but always willing to join in and help. We extend our sympathies to her family, she will be very much missed.

NORMA BROSZEK a member of **Bexleyheath and Crayford WI** for twenty years has recently passed away. Thoughts with her family at this sad time.

MAGICAL AFTERNOON TEA—SCONE RECIPE

This recipe is used by the National Trust property at St. Michael's Mount in Cornwall.

- 115g (4oz butter) cubed plus extra for greasing
- 450g (1lb) self raising flour plus extra for dusting
- 85g (3oz) caster sugar
- 85g (3oz) sultanas, omit if you prefer plain scones
- One egg, beaten
- 150ml (5flox) milk plus extra to glaze
- Preheat oven to 200degC/ fan180/gas 6.

Lightly grease a baking sheet or use a silicone liner. Sift the flour into a mixing bowl and rub in the butter with your fingertips until the mixture resembles fine crumbs—you could also use a food processor. Stir in the caster sugar and optional sultanas Add the beaten egg and milk to make a soft dough. This will be quite sticky, turn onto a floured board and knead together, pat flat to 2-3cm and using a 7cm round cutter - stamp out four scones. Knead remaining dough together again and repeat, should have eight or nine scones in total. Brush with milk and bake for 10-15 minutes. All ovens are different I find 18 minutes. Scones should sound hollow when base is tapped. Can be frozen and when defrosted, warm in low oven—delicious with cream or butter and jam. Linda Wills PALS Sub-Committee,
